

Hi there music lover!

We are happy to see you here and hope you will discover the new higher quality of sound, acoustics and listening pleasure from music in DSD (Direct Stream Digital). At the NativeDSD Music store you will find albums in DSD from over 70 record labels (and counting!) that bring you **as close to the original performance as possible**.

This ***Welcome to NativeDSD Sampler Album*** is free of charge – with many thanks to the participating labels! We invite your ears to discover what's possible with music available in DSD. If you are convinced, you will find links and information on the full albums that these Stereo DSD sample tracks are taken from. This includes information on the corresponding Artists, Albums & Labels in the detailed track listing in this booklet.

The Tracks on this DSD Sampler are in Stereo DSD 64. However, most of the recordings are available in the higher rates like DSD 128, 256 and 512, in both stereo and multichannel.

We really hope you will enjoy this spectacular way of experiencing & listening of this music,

- Jared Sacks & Jonas Sacks | Co-founders of NativeDSD Music
